

QUALITY POLICY

Australian Crusher Repairs is committed to our goal of delivering quality products and services that will meet and exceed our customers expectations.

Australian Crusher Repairs will seek to achieve this by meeting the following objectives:-

- Maintain an effective and efficient Quality Management System to the Standard of ISO 9001:2008;
- Conduct regular reviews of equipment and systems through internal audits, management reviews, incident investigation and reporting, task observations, management interaction and inspections;
- Ensuring we utilise our resources, information and knowledge efficiently and effectively;
- Developing the skills and competencies of our personnel to improve performance and delivery capabilities;
- Measure key performance indicators and continually improve our quality;
- Review and amendment of this policy to ensure it remains relevant to our operations at all time; and
- Creating and building a culture that empowers our workforce to suggest avenues for improvement.

The requirements of this policy will be communicated to all personnel through our company induction, where responsibilities and obligations in relation to this Policy will be explained and promoted.
